MIT Group of Institutions, Pune is one of the most prestigious group in the academic sector known for its unique blend of value-based professional education in the areas of Technology, Medicine, Health Care, Schools, Management & so on.

Maharashtra Institute of Technology, the flagship institute of MIT Group of institutions, Pune was established in the year 1983, under the aegis of Maharashtra Academy of Engineering and Educational Research or better known as MAEER, Pune. MIT is one of the first nine private Engineering institutions in Maharashtra. It is the culmination of Hon'ble Dr. Vishwanath D.Karad's vision, the Founding Father of MIT Group of Institutions, Pune that quality education should reach masses and be made available to every merit holder irrespective of one's class, creed or religion. The four-decade long journey of MAEER's MIT epitomizes the relentless pursuit of quality and excellence in the name of commitment and dedication, the nutriment of value and discipline, the quest of science and spirituality and in the enrichment of research and education. The academicians associated with MIT are committed not only to imparting knowledge but also augment the proficiency in their various fields.

MIT guides students to achieve their dreams and potential in this multi-disciplinary institute that weaves a mosaic of integrity, commitment and dedication. Carrying forward the baton of a new tomorrow and contributing to the industrial and economic growth of the society and nation at large, MAEER's MIT continues to build the gateway to student successful careers.

About MIT-ADT University, Pune

MIT Art, Design and Technology University (MIT ADT University), a leap towards world class education is established by the renowned MIT Group of Institutions. It is UGC recognised multi disciplinary University located on the 150 acres of campus at Raj Baugh, Loni Kalbhor, which was previously owned by late legendary actor of Indian Hindi Cinema Raj Kapoor. The University campus is an embodiment of peace, serenity and tranquillity; aesthetically erected on the banks of Mula-Mutha river with its architecture ideation inspired from matrix of Saptarishi, Saptarang and Saptaswar. The magnificent world class state-of-the-art infrastructure with modern amenities with fully residential campus facility leads MIT-ADT University to be one of the premium campuses.

MIT-ADT University is a multi disciplinary University which offers programs at under graduate, post graduate and doctorate level in Fine Art, Design, conventional engineering branches in Information Technology, Computer Science and Engineering, Mechanical, Civil, Aerospace Engineering Management, Marine Engineering, Bioscience Engineering, Food Technology, Film and Theatre as well as Broadcasting and Journalism in education as well. Most of the programs are designed in such a way that they satisfy the current needs of the specific industry.

With a vision of Holistic Development, the university has designed compulsory core credits to foster the complete campus transformation of students as winning personalities or corporate leaders, social transformer & nation builder. University level Mega Gala Events, Persona Fest & Vishwanath Sports Meet are known nationwide.

MIT Group of Institutions, Pune is always keen to follow the ideals of the great noble son of India,
Swami Vivekananda.

**"Give me a few men with muscles of iron and nerves of steel and I will
change the face of Mother India."**

**"It is better to run after a football on the ground than to simply
read Geeta in a temple."**

These words are a great source of inspiration to the management & students of MIT Group of Institutions, Pune.

NATION BUILDING THROUGH SPORTS

Celebrating the 6th Vishwanath Sports Meet – Nation Building Through Sports

Dear Sports Enthusiasts,

It gives me immense pleasure and pride to announce the forthcoming 6th state-level Intercollegiate Vishwanath Sports Meet 2024, organized by MIT ADT University.

From my early childhood, I have held a deep-seated passion for sports. This fervour was instilled in me by the ideals of the great son of India, Shri. Swami Vivekananda, who once proclaimed, "Our country needs a few strong men with muscles of iron and nerves of steel, and I will change the face of Mother India." These words have been a constant source of inspiration for me throughout my life.

My reverence for sports was deeply influenced by my father, Rashtradharmapujak Dadarao Karad, who was born into a humble farmer's family. His commitment to our nation and his unwavering devotion left an indelible mark on my character. In honour of my father's memory, we have been organizing a state-level wrestling event annually at his birthplace, Rameshwar, since 2007. This event has brought a new era of wrestling to the peaceful village of Rameshwar. I belong to the Varkari Sampraday, a community known for its values of moral conduct and unwavering devotion to Lord Vitthal. Every year, we host the Varkari Mahavir Kusti (wrestling) competition during the auspicious Ashadi Ekadashi pilgrimage at Wakhari, Pandharpur.

My passion for the development of sports in rural Maharashtra is reflected in my unique initiatives, such

as the Round Table conference that unites wrestling enthusiasts from across India. We also take pride in the red clay mud wrestling akhada at MIT Engineering College, established in 1998, inaugurated by the honourable Hindkesari Ganpatrao Andalkar and Yog-Guru Shelar Mama.

At the age of 83, I remain dedicated to maintaining a good physique and practising yoga daily, despite a busy schedule. My aim is to instil the love of sports in the minds of young students, who sometimes overlook the importance of physical fitness and true sportsmanship. MIT organizes the national-level inter-engineering sports meet, 'Summit,' and the MANET Sports Meet, both offering platforms for emerging athletes and sportspersons to showcase their talents.

Today, MIT-ADT University proudly carries forward the legacy in organizing the Vishwanath Sports Meet 2024, which heightened the importance of health awareness. This event is poised to be a herald of hope and opportunity, providing a stage for every sportsperson to shine and contribute to the advancement of Indian sports.

I invite all of you to join us in celebrating the spirit of sports, unity, and dedication to a healthier future. The 6th Vishwanath Sports Meet 2024 is poised to make history, and we welcome your enthusiastic participation in this exciting journey.

With best wishes,

Prof. Dr. Vishwanath D. Karad

Founder, MIT Group of Institutions, Pune
President, MIT-ADT University, Pune

Unleashing the Power of Sports: Vishwanath Sports Meet 2024

Dear Champions,

Vishwanath Sports Meet is a precious tradition as an annual inter-collegiate sporting extravaganza of MIT ADT University. As we prepare to embark on this exciting journey, let us take a moment to appreciate the profound role that sports play in our lives. Far beyond a mere physical activity, sports serve as a powerful force that unites people, fosters discipline, and cultivates a sense of friendship among individuals from diverse backgrounds. They instil in us the values of teamwork, determination and sportsmanship, shaping our characters and teaching us precious life lessons.

For several years, MIT has been a torchbearer in promoting sports and physical fitness as an integral part of holistic education. The Vishwanath Sports Meet stands as a demonstration to our remarkable commitment to cultivation the talents and potential of our students. It is a platform where our young athletes can showcase their competence and dedication as sporting stars.

Our Founder, Hon. Prof. Dr. Vishwanath D. Karad, has always been an keen supporter of sports, recognizing the transformative power it holds. Under his visionary leadership, this event has evolved into a grand celebration of athletic excellence, encompassing a wide range of sports and competitions.

This year, we are proud to present the latest edition of the Vishwanath Sports Meet, which promises to be even more thrilling and inspiring. It will not only be a

display of extraordinary talent but also an opportunity for our students to learn valuable life lessons that sports so effectively teach.

Friends, I invite all of you to join us in celebrating the Vishwanath Sports Meet 2024, where athletes will compete, learn and grow. Your presence, encouragement and support will undoubtedly contribute to the success and spirit of this event.

Together, let's make the Vishwanath Sports Meet an unforgettable experience for sports champions and an enduring celebration of sportsmanship.

With Warm regards,

Prof. Dr. Mangesh T. Karad

Executive President & Vice Chancellor
MIT Art, Design & Technology University, Pune

We, at MIT-ADT University, firmly believe that innovation comes from a robust body in every human which attributes to the importance of sports in one's years of physical growth that is the college years.

I firmly believe that "A person can only be thoughtful in mind when the body can stay fit". Further, when the attribute of excellence comes from competitiveness, which is a trait one develops when the person participates in sports.

"Vishwanath Sports Meet" is a platform created by MIT-ADT University for college-going youth to prove that they are worthy of these beliefs. It also builds that competitive spirit amongst the youth, which helps them fight battles of life.

We welcome you all to this mega event at the state level. Try to achieve all the heights and have a dream of representing our great nation at the International level. All the best.
